

VKS Newsletter

Annual Report 2020-2021

INTRODUCTION

In this COVID-19 pandemic situation, a lot of people faced a setback and were badly affected by the worldwide pandemic. In such challenging circumstances, we, at VKS SHARANYA WELFARE SOCIETY decided to use our privilege in order to support the underprivileged in the times of crisis.

With the regular programmes conducted by us, and still continuing, for example, the students online training programme and scholarship programme, we took up ration, medicines and essentials distribution as well, given the needs of today's times, as our contribution to the society and it's people.

This newsletter is a culmination of all the work undertaken by our organization during the months of Apr-September 2020.

CONNECT WITH US

With consistent little contributions, VKS SHARANYA SOCIETY wishes to bring a change in the society and build a better tomorrow. But as we all know, no good deed is accomplished without team work and support.

This newsletter was also a thank you note to all our Donors and team members who took the responsibility upon themselves to lessen the impact of the pandemic! We salute all their generous efforts.

If you wish to take part in the efforts to help humanity with VKS SHARANYA SOCIETY, connect with us! As Donors, team members or volunteers! Your help in any form will benefit so many families and lives. We truly believe in the impact of humanity and so understand how much one individual can contribute to the society! We would be more than glad to have you as a part of our VKS family!
